Gelato & Sorbetto

Gelato is fresh Italian style ice cream. It differs from traditional ice cream in ingredients, consistency and flavor. Milk based gelato contains one-third the fat when compared to ice cream and about 1/2 the calories. The fruit based sorbetto has almost no fat at all.

Gelato Flavors - Dipping Only – We make small batches of gelato so not every flavor is available every day – here's a list of some of our gelato flavors we make throughout the year – Chocolate Hazelnut, Coconut Almond, Forest Berry Sorbetto, Cherry Sorbetto, Pistachio (Nov & Dec), Hazelnut, Cappuccino Latte, Tiramisu, Lemon Sorbetto, Peach Sorbetto, Sour Cherry Gelato & more!
